Our talented culinary team will create an exquisite three or four-course meal based on your package choice. You may offer guests up to three entrée selections when you send out your invitations. Selections at each table must be supplied to us in advance. Children's, vegetarian, vegan and gluten free meals are also available.

CHAMPAGNE TOAST

A sparkling toast to the happy couple is included in all packages.

Crisp white or colored linens and napkins are available to coordinate with your wedding party. Enhancements that are available for an additional price include: chiavari chairs, floor length linens, chair covers and sashes, and room décor; such as special lighting, canopy and ballroom draping or an ice sculpture.

A minimum guest count of 125 people is required for a Saturday night wedding during peak season. All prices are subject to proportionate increases to meet increased costs.

My husband and I had our wedding reception at The Woodlands and I cannot accurately put into words how amazing the entire staff truly is. We started working with our wedding specialist, Gail, a year prior. She was absolutely wonderful and very responsive from our very first meeting. We worked closely with her to customize cocktail selections, hors d'oeuvres, dinner stations, as well as passed dessert options. She also put together our farewell brunch the morning after our wedding. She knew exactly what sides would pair best with our entrees and where to place each station to keep our guests flowing throughout the ballroom. We were all served very promptly and never felt like we lost time from our reception to dinner. Dessert was exceptional. From popsicles in Prosecco, to specialty ice creams, cheesecakes, and passed cordials, we never had to leave the dance floor to enjoy dessert. Planning a wedding for over 300 guests never felt intimidating with the help of Gail. The entire staff at The Woodlands truly went above and beyond to make our wedding more than we could have ever imagined! I cannot recommend The Woodlands enough. They will work tirelessly to make sure your event is unique to you. Our wedding was truly the best day of our lives thanks to the staff at The Woodlands!
