## FOUNDATION ROOM

Each Foundation Room offers a singular aesthetic experience that invites you into an exotic oasis rich with authentic Asian artifacts, colorful American Folk art, and dedicated personal service. These rooms have extensive amenities which include: a bar and lounge brimming with music and vitality, discreetly lit and comfortably appointed to inspire relaxed mingling and familiar conversation; an intimate dining room in to gather and enjoy contemporary global cuisine; and secluded smaller rooms for select meeting or social groupings.

A portion of your membership supports the International House of Blues Foundation (IHOBF). Established as a 501(c)(3) non-profit public charitable organization in 1993, the IHOBF is dedicated to promoting cultural understanding and creative expression through music and art.
