To Lisa,

Each one of you has been so nice

It makes it very hard

To put so much real gratitude

Into a single card.

But if each one of you will read

Between the lines, you'll know

This brings a "thank-you" more sincere

Than words could ever show.

This thank you doesn't seem adequate enough to show our appreciation for everything that you did to help make our son's and this new bride's wedding reception the lovely, magical affair that it was.

Lisa, you took care of every detail! The food was fabulous. It's almost unheard of to have food delivered hot to each guest not to mention so beautifully presented!

The tables looked lovely, and with the help of Joyce King, our wonderful decorator, the hall looked breathtaking.

We have heard flattering comments from our guests since that day about the great time that they had, and everyone was genuinely impressed by the lovely surroundings, the super meal and the professional, courteous staff.

Please accept our thanks along with Adam and Tashia's for the wonderful memories that your family helped to make for our family.

Sincerely, Sandi and Bruce Mackenzie

P.S. Hope to get that wedding 8x10 to you as soon as we have it. Did you get hall photos from Joyce?

If not call her - # is above

Nina, Lisa and family.

Bill and I would like to  
thank you very much for our  
wonderful wedding day. The  
grounds are beautiful and the  
banquet hall looked wonderful.  
And what can we say?! The  
roast beef dinner was exceptional!  
We had many compliments on  
how delicious and how big  
the portions were! One couple  
said that it was the best  
dinner they had had out of  
all the weddings they have  
attended! You and your  
family were so friendly and  
accommodating. That was a very  
special day that we will never  
forget. Thank You Sue & Bill Little  
xoxo
