"I was 7 years old when my father bought Prince. I fondly remember bringing my baseball and hockey teams to the restaurant for pizza parties. My dad would be at the door with a giant smile on his face proudly welcoming us.

It was a big part of my childhood and more than fifty years later I continue that tradition with my own kids.

Prince is all about families — it's big and bustling with lots of energy.

I love this restaurant and am grateful to our dedicated staff and customers.
