NOAH'S

Frequently Asked Questions

FOR MORE INFORMATION FEEL FREE TO CALL THE BUILDING (469) 600-8421

Can I bring in my own outside vendors?

Absolutely! One of the great things about NOAH'S is our flexibility. You are welcome to bring in any caterer, DJ, cake baker, florist, etc. of your choice. The only vendor that we require you to use is our insured bartender if you choose to have alcohol at your event, however we do allow you to bring in your own alcohol to be served by our bartender. You are even able to bring in your own food if you don't plan to work with a caterer.

I would like to come see the building—do I need to make an appointment?

Yes, please call our local number to schedule a tour.

What kind of audio/visual equipment do you provide and how much does it cost?

All of our rooms are equipped with a drop-down screen, built-in HD projector, surround sound, XM radio, DirectTV, a DVD player, and hook-ups for a laptop or iPod. We are also happy to provide microphones (wired, wireless or lapel) in any of our conference rooms. All of our audio/visual equipment is included for no extra charge.

Do you have any hotels where my guests can stay?

Yes, they are listed in our recommended professional list.

Can we come in early to decorate?

You are allowed access to your rooms when your time block starts, so if you know you will be needing extra time to decorate, make sure you include your decorating time in whatever time block you choose. When your time block begins, we will have all of your items provided by NOAH'S set.

Do you have a location where I can have a wedding ceremony?

We have an outdoor patio (that comes with the Main Hall- Room 100) that can seat up to 250 people. We also have an indoor chapel room that can seat up to 144.

Do you have a bridal suite or groom's room?

Yes we have a beautiful bride's room complete with large standup mirror, vanity, TV, and private bathroom. The groom's room is a perfect spot for the groom to relax prior to the wedding—it's complete with a pool table, shuffle board, ping pong and a 12-foot screen with an HD Projector where you can show DirectTV, watch a DVD, or connect a gaming system.

What deposit is required to book a room?

If you are booking within 6 months of your event, we require payment in full at the time of booking. You can book in person, over the phone or through our website. If you book more than 7 months in advance, we are happy to create a payment plan (usually a deposit of 25%), but the total balance is due no later than 120 days after your initial deposit or 90 days before the date, whichever comes first.
