

## About The Pepin Mansion

Welcome to The Pepin Mansion, built in 1851 and restored in 2013. At the April 2013 "Ribbon Cutting Ceremony" the New Albany Tribune acclaimed TPM "The Restored Crown Jewel of New Albany"! TPM was built by Victor Pepin when New Albany was a national star in manufacturing, boat building, finance and culture. New Albany was the largest city and home to the richest men in Indiana, Mr. Culbertson, Mr. DePauw, Mr. Pepin and others.... And they built their mansions on New Albany's Mansion Row on Main Street.
