Rankin Gardens & Atrium

Discover one of Columbus' best-hidden secrets. Nestled in the heart of Uptown Columbus, between Broadway and First Avenue, the historic Rankin Building features a beautiful courtyard and atrium, providing an unparalleled setting for wedding ceremonies and receptions. Weddings at the Rankin Gardens and Atrium truly capture the romance and elegance of the Rankin's 150-year-old legacy. Captivating lovers with its wrought iron balconies and historic French Quarter feel, the Rankin provides the feeling of stepping back into time to truly experience the allure of historic Columbus.

Our elegant wedding ceremony and reception venues offer space accommodating a range of sizes, settings and budgets. The main courtyard of the Rankin Gardens and Atrium is the perfect setting for charming courtyard-style wedding ceremonies. The Rankin specializes in intimate wedding ceremonies and vow renewals, accommodating up to 175 guests.

A VENUE ALL TO YOURSELF

Our wedding venue is available to you exclusively. We know this day is one of the most important days of your life and we aim to make you our sole priority by hosting only one function per day. We allow you to choose the wedding ceremony and reception times that best fit your plans and give you plenty of rehearsal time to ensure that no detail is overlooked.

THE CHOICE IS YOURS

We provide the facility, allowing you to select only the best the vendors that will make your day truly special. When you plan your reception at the Rankin, we work with you and your wedding planner to choose from a list of excellent vendor options. The vendors on our list have been selected for the professional and consistent level of service they provide.

View our suggested vendor list online. We will be happy to make additional recommendations for our most trusted and qualified wedding planners, florists, photographers, wedding cake bakers, live musicians and DJs.

INDOOR AND OUTDOOR OPTIONS

The Rankin Gardens and Atrium can accommodate both indoor and outdoor weddings. For couples who are planning an outdoor wedding, this allows a built-in contingency plan for inclement weather or any other unforeseen circumstances. We offer a last-minute indoor rain option at no additional charge if the weather turns, but please allow us two hours notice to prepare.

A TEAM THAT WORKS FOR YOU

Whether it's a jazzy bridesmaid's brunch, a rousing rehearsal dinner or an elegant evening wedding and reception, you can be confident that our team has done it all. On the day of your wedding, the Rankin Gardens and Atrium staff will be on-site all day in order to assist you or your wedding coordinator with all the last minute details. Anything you need, we'll have the support to get it done quickly and done well.

QUALITY CATERING MADE EASY

The Rankin Gardens and Atrium makes catering a cinch with an exclusive caterer that can help you select your menu and beverage choices. We know that catering is one of the biggest expenses for your wedding, which is why we coordinate food, drink and linens for your wedding reception, allowing you to enjoy the party knowing that we have the details covered.

We invite you to call and request a complimentary tour of the facility.
