- Wedding Ceremony performed by Rosy
- Table Setting with table cloth and starfish for decoration
- Sand Ceremony
- Wedding Vows
- Keepsake Certificate (if you wish to have one)
- Filing your Marriage License (if you wish for us to do so)
- Unlimited phone calls or emails between client to make sure we answer all your questions
- Photography by Rosy (one photographer)
- Disc with 30 edited, high resolution digital images for you to choose from the entire photo shoot.
- One hour photography coverage
- Right for you to print your pictures
- Online proof / gallery

\*Later if you wish to purchase the entire photo shoot (all the pictures taken) it will only be \$99 plus tax.

The way this package works is very simple. Since I am a Wedding Officiant (Notary Public) and Photographer. I can marry you and take your pictures. I will marry you first, and then reenact the wedding ceremony so you don't miss out on any memorable moments. Then I will take pictures of the couple with their friends and family and finally I will take the couple to the beach to take Romantic Beautiful Pictures of them two.
