All catering is provided by our on-site restaurant. I will attach our catering menu for both food and beverage options. The food and beverage minimum can be met with hor d'oeuvres, dinner, desserts, alcoholic and non-alcoholic drinks (hosted or cash). We do not have an onsite bakery for wedding cakes; however, you are welcome to bring in a cake from a licensed vendor. I will include a list of our preferred vendors at the end of the catering menu-- they are simply recommendations of people we have worked with in the past and had really great experiences with. Please feel free to contact me if you have any questions or if you would like to schedule a time to tour The Golden Hotel!
