HISTORIC, CHARMING, CAPTIVATING, TIMELESS, AUTHENTIC KEY WEST

Since 1897 the Southernmost House has been a Key West icon. Our famous B&B has been host to five United States Presidents (Kennedy, Truman, Eisenhower, Carter and Nixon) as well as Ernest Hemingway, Al Capone and Louis Armstrong to say just a few. Thomas Edison even oversaw the electrical design and installation of the house. Create new memories in this storied house as you enjoy your wedding experience.

You and your guests can relax, unwind, and escape from everyday life on the quieter end of Duval Street in a gorgeous setting that stretches out around our charming, restored Victorian house. Melt away the stress by staying in one of our elegantly-appointed, amenity-rich guestrooms, spacious suites, our ultra elegant Lopez House. Start each day with complimentary continental breakfast, swing in a hammock facing the sea, and enjoy personal concierge service from our friendly and attentive staff.

Our tropical setting is the perfect backdrop for your dream wedding experience. From elaborate to intimate, we will make your wedding one to remember for a lifetime.
