GATHER YOUR CREW

Make sure everyone in your group receives their ticket before boarding. From there, we'll be glad to seat you all together.

BOARDING

Before boarding time, you can pick up your tickets at the booth near your boat. As you board, your group will have a chance to take a professional photo together. The prints will be available for purchase later in the cruise or at the end. Just like a restaurant, a hostess will greet you and take you to your table.

WELCOME

Settle in, meet your manager or server and get ready to set sail. If your cruise has a buffet, you can help yourself to the food at any time. If you're enjoying a plated menu your server will take your order. Let them know if you have any dietary restrictions or allergies. Your server will check back with you throughout the cruise.

DINING

Whether it's a plated meal or buffet, lunch or dinner – you can count on attentive service and delicious food. Our menus are tailored to the season and designed to delight.

WHAT'S IT LIKE TO ——— CELEBRATE ON THE WATER? ———
