## Bride's Choice: Upgrade List -- A la Carte

- Minister:** \$149 – Christian non-denominational minister, plus a copy of his vows. You can add, subtract or write your own Vows OR you can bring your own minister or officiate. He or she needs to be at the rehearsal.
- Music Coordinator:** \$149 - Music Coordinator to organize your ceremony music. This Coordinator helps you select ceremony music and attends your rehearsal & wedding day ceremony.
- Bar Package:** \$299- (Based on a 3 hour reception) You can bring your own beer or kegs, wine, champagne and machines with pre-mix such as frozen margaritas, Bellinis or Daiquiris). We provide a certified TABC Bartender & a security guard, who is present at any event serving alcohol. We have tubs for your bottled water or soft drinks, & 2 bags of ice for drinks. Alcohol must be served in cups or glass wear, no cans or bottles. No tip jars. An extra hour is \$75 each.
- Web-Cam ( Live ):** \$149 – Ceremony broad cast with camera operator: A Consultant monitors 5 web-cams and will broadcast your wedding to anyone you wish—in the world—Your family & friends log-on to a private web location number (we give you this number a couple of days before your wedding) and they see your ceremony live! This is great for those who could not come to your wedding. Plus--After the wedding you receive a DVD copy of this broadcast. However, if we lose the web-connection during transmission, and we will refund your (\$149) money. This does not happen often, but it is a possibility.
- Stationary DVD:** \$49 -- Ceremony: A stationary camera (on a tripod) in the balcony, records the stage ceremony. However, it does not record the Bride walking down the staircase. After the wedding you receive the DVD copy. If, for some reason, a recording is damaged, we will refund your \$49. This does not happen often, but it is a possibility.
- Sound System & up Lights:** \$79 -- Your iPod or CD's can be used in our (small) professional DJ system which has separate speakers on stands. If you do not have a DJ, you need someone play the music & make announcements. This system is usually used when 2 ballrooms are set-up--one for dining & one for cake/ toasts /dancing. This system is great for background dining music. Your DJ sets up his/her sound system and disco lights in the 2<sup>nd</sup> ballroom for the cake cutting, bigger bar and dance floor.
- Wedding Coordinator:** \$149 -- A professional Wedding Coordinator will have a 2- 3 hour meeting with you to discuss and organize the details of your ceremony & reception at the *White Chapel*. The Coordinator maps out a timeline for your wedding day—from the Bride's arrival until the last person leaves the Reception. She does a complete outline with Chapel seating charts—for the Bride's family & the Groom's family, the wedding party line-up, selecting your ceremony music for the line-up & what kind of ceremony you want. She discusses and clarifies any questions you may have, and explains what you can expect, & how you can get in all the things you want to do (or not) on your day. A Consultant coordinates your rehearsal and will be at the Chapel on your wedding day for your arrival, before- the ceremony pictures, and throughout your Ceremony, the family pictures, and lines you up for your announcement into the reception. She will check with the DJ and caterer to make sure that everything is fine with the reception.
- Chapel & Reception Ballroom Extra Décor Pkg:** \$299 -- (See our picture albums during your tour.) This package includes all the décor in the *Basic Decoration Amenities*, then, we add special designs in the Bride's choice of colors to the Chapel and reception. In a 2-3 hour meeting, the Bride and the Chapel designer incorporates the Bride's ideas, suggestions and theme. They make-up special arrangements & décor for the wedding day. The designer pre-arranges all of the décor ordered by the Bride. ON the wedding day the staff sets-up all the special décor & takes it down after the wedding. The Bride -- just Enjoys!
- Add 2<sup>nd</sup> Reception Ballroom with Décor:** \$299 -- for dancing, toasts & cake, which is very impressive & practical. The first ballroom is set-up for Dining with first dances in one of the outdoor Gazebos. Then the guests to walk to the 2<sup>nd</sup> Gazebo & into the 2<sup>nd</sup> Ballroom for the Cake cutting, Toasts & Dancing—time to Rock & Roll! Your choice of colored up-lights on the walls with a large dance area- usually in front of the DJ. Again, centerpieces for 4-6 tables, 50+ chairs around the room, basic package items like the silver cake risers, the silver punch fountain, etc.. You have to see it to believe how beautiful & practical the second ballroom can be! The whole Estate is decorated for you & your guests! ~ To add an extra hour to your reception. Ask your Consultant for details. (PS- On one of the Oprah shows, she said that all wedding receptions should have 2 ballrooms—one for dining and one for dancing. Our Brides, who have over 75 guests, like it ,too!
- Add an extra hour to Reception:** If you add an extra hour. Ask the Consultant for details.
