

Nestled on the 2<sup>nd</sup> floor of Over the 9, the Downtown Louisville home of the iconic Falls City Brewery and the Old 502 Winery is the The Loft, a charming and rustic event space now available for rent.

Intimate for business meetings and small engagements, but large and spacious enough for a dinner of 200, or a cocktail party of 300. The Loft has the flexibility to furnish you with the perfect backdrop for your special day. Private entry, elevator, his and her restrooms, and ample parking provide ease of access. Location, off I-64 at 9<sup>th</sup> st., only seconds away from I-71 and I-65, allow convenience for your guests regardless of direction of travel.

The Loft offers a full bar, Chef driven in house catering, complimentary table and linen service, a/v equipment, and an Event Specialist to assist you from start to finish. All under one roof.
