

Located in the heart of the Bay Area on the San Francisco Peninsula, we offer the beauty and ambiance of a working winery without the drive to Napa or Sonoma.

Our 7,500 square foot venue – complete with hundreds of French oak barrels, a 24-foot mahogany bar, and a 16-foot solid pine gathering table – is perfect for weddings of 100 to 300 guests. The room is adorned with candles, elegantly draped tables, romantic décor, intimate lighting and Domenico wine glasses waiting to be filled with our award-winning wines.

Your guests can enjoy a family style or plated dinner, buffet, or food stations from our exceptional in-house catering team. They can toast with premium beverages, listen to great music, mingle with friends and family, and congratulate the bride and groom. From the ceremony to the reception, guests will dine, sip, dance and celebrate your love.

We are dedicated to creating a memorable event for you and look forward to talking with you about your wedding day dreams!

Cheers and Best Wishes!

To secure your wedding date, we require a signed contract and a non-refundable deposit of the estimated venue fee and \$500 security deposit

Frequently Asked Questions

Can we plan our wedding and reception at Domenico Winery?

We have a beautiful venue for your wedding and reception...and are a great location for your engagement party, bridal shower, bachelor/bachelorette party, rehearsal dinner or post-wedding brunch. We can host groups from 100 to 300, all in the romantic setting of a working winery. We offer different package and pricing options to accommodate different events.

Can we bring in our own catering?

Domenico Winery offers in-house catering. Once your date is booked, our catering team can work with you to curate a menu which suits your style, taste, and budget. You may also elect to bring in your own licensed caterer for a buyout of \$500. Outside caterers are not permitted kitchen access and must meet with us one month prior to the event and provide a certificate of insurance naming Domenico Winery as additionally insured.

Can we do a menu tasting?

Our catering department hosts a group tasting each quarter. You will taste passed appetizers, a full dinner menu, desserts and wine. Tastings are \$125 per person. If you decide to book, the fee will be applied toward your event.

How do we hold our date?

We can place a hold for you with no deposit required. If someone challenges your hold you will be notified and have 24 hours to pay your deposit to secure your date.

Can we personalize and customize our wedding and reception to fit our style?

We are committed to helping you customize your wedding and reception to realize your "Happily Ever After" dreams. Personal touches – from elegant linens, romantic decorations and candlelight, the perfect menu, wine and champagne for sipping and toasting, music for dancing and ambiance – can be part of your event. And since we only schedule one event per day, we are completely flexible with timing.

We can even create a customized wine label on a bottle of Domenico wine so that your guests leave with a wedding favor that perfectly commemorates your day!

Can we conduct a rehearsal if we have the ceremony here?

Yes. Our event coordinator will work with you on a date and time that works around other events. It will likely be a Friday afternoon or Thursday evening for a Saturday wedding.

How much time is allowed for decoration and set up?

You, your decorators and other vendors will have access to the venue four (4) hours prior to your event start. If you need more time, you may add on set-up or clean-up hours at \$100 each. All decorations and vendor items need to be removed from the winery at the conclusion of your event unless otherwise negotiated. Please refer to your contract for approved décor.

Will an event coordinator be present at the reception?

An experienced and knowledgeable event host will work with you throughout the entire process of planning your reception and will also be present until the very end of the big day.

May we bring in our own wine or alcohol?

You must purchase all beverage packages from Domenico Winery. We provide an excellent selection of award-winning wine, premium beers, Prosecco, soft drinks and bottled water on site. For a full selection of spirit options, we can coordinate a full-beverage caterer for you, with a minimum of 30 days notice. If you'd like to bring in a bottle of your favorite wine we are happy to pour it for you in addition to your purchased beverage package.

What is your deposit requirement?

At the time you sign your contract, we require a deposit equal to the Venue Fee, and the refundable \$500 security deposit.

What is your cancellation policy?

Your deposit is non-refundable, but if you need to reschedule your date, you may apply the deposit to another event. Rescheduling must be done at least 60 days prior to your event date, or the deposit will be forfeited.

What other activities can you arrange for our wedding and our guests?

We have a list of recommended vendors for flowers, photography, music, entertainment and more. We can also do a bottling party for your bridal party guests before the wedding, which can be a great way for them to get to know each other! Have them bottle up half bottles of wine and put your custom label on them to use as escort cards and guest favors at the wedding reception.

We look forward to hearing from you soon!
