“Contemporary-Ballroom-Meets-Swank-Loft Vibe” - The Knot

The Heaven Event Center offers a unique setting and fun atmosphere for your special day. A blank canvas, our ceremony and reception space allows the personalities of each couple to shine through the details. Our white walls, draping and flooring allows you to be creative with your wedding colors or themes, providing limitless ways to decorate our venue.

The open floor plan is ideal for large ceremonies and receptions of up to 350 guests, or can be divided with our white satin drapes for an intimate feel for smaller ceremonies. Your exclusive 12-hour rental period from 12pm to 12am ensures ample time for your wedding vendors to set up, and ensures your privacy as we only book one event per day.

Our open catering policy allows you to choose a caterer of your choice for a small fee as long as they are properly licensed and insured. We allow you to purchase your own liquor as long as it is served by a licensed and insured catering company.

Located off Sand Lake Road, we are nestled in the heart of Orlando approximately 15 minutes away from the attractions, Downtown Orlando, and the Orlando International Airport. Heaven is surrounded by lake views and is lit by blue LED lighting at night.

A Match Made in Heaven | Ceremony

Outside Terrace: If you wish to have an outdoor ceremony, we offer a natural setting outside on our 2,000 square foot Patio Terrace that overlooks our lake. This setting is ideal for up to 75 guests.

Main Banquet Hall: Our Main Banquet Hall can be transformed from ceremony to reception by using our white satin drapes to divide the room for a romantic ceremony, turning the middle section into an elegant and modern backdrop to your wedding. This space can hold up to 200 seated guests.

Secondary Banquet Hall: (Pictured Below) For brides that dream of walking down a long aisle or plan to have a train, this space is ideal for dramatic, unforgettable entrances. White drape is installed at the front of the room to set the scene for your wedding vows. Our Second Banquet Hall has a capacity of 350 seated guests.

Cocktail Hour

Outside Terrace: Our outdoor terrace is the perfect location to host your cocktail hour. At night, the building is illuminated with blue LED lights, which reflects on the surrounding lake and beautiful water features. This secluded area is a relaxing spot to lounge on our leather couches under the stars.

Secondary Banquet Hall: (Pictured Below) For guest counts of 200 or more, our Secondary Banquet Hall is a large open room perfect for mingling and socializing. Your caterer will have ample room to serve drinks and pass hors d'oeuvres.

Transformation

Included with the venue rental is your Heaven representative who will oversee the setup of the venue, help transition our space from ceremony to reception, and ensure the venue is operating at it's best for your special day. We work alongside your wedding coordinator and other wedding professionals to ensure a smooth transition into your reception.

If you are having your ceremony & reception in our Main Banquet Hall, our staff will move your ceremony chairs to your guest tables (pre-set behind the satin draping) and transform the room to reception by tying our satin drapes with rhinestone crystal bands.

For ceremonies located in our Secondary Space or on our Patio Terrace, our Main Banquet Hall will already be pre-set with guest tables. We will then move your chairs from your ceremony location into the Main Banquet Hall and arrange seating according to your predetermined floor plan.

Heaven on Earth | Reception

Our Main Banquet Hall offers a modern setting for receptions of 50 to 350 seated guests. Our white sheer draping surrounds the room and reflects our LED lighting to create a chic ambiance that your guests will remember for years to come. White leather sectional sofas provide lounge seating and can be arranged around the dance area, by the bar, or outside on our Patio Terrace.

Our rental grants you private access to our facility from 12pm to 12am, with clean up and breakdown occurring afterwards. If you would like to extend past 12am, we allow extra event hours until 2am for a charge of \$250 per hour.

We include cleaning in our venue rental fee, as well as a security guard to oversee the facility. Just remember to take home important items such as your wedding cake, centerpieces, gifts, and any other items that hold value to you.

Because of our secluded location, we have no noise restrictions and offer over 350 parking spaces free of charge for your guests.
