"Working with Ambrosia was wonderful! Their staff was very professional, prompt, and caring throughout each step of the process - from our initial meeting to our pre-wedding correspondence, and on the day-of. The pricing was unmatched and the quality was better than we could have hoped for...Each vendor had great attention to detail, incorporated our specific needs, and produced a finished product that made our day special. We HIGHLY recommend using Ambrosia and would gladly use their services again for another event." - Charlotte K., Burbank, CA

"Ambrosia Event Services was a great asset to my husband and I as we prepared for our wedding. We hired them to provide the catering, lighting, valet services, and wedding coordinating services. The various event providers did an outstanding job and our wedding was everything we had hoped it would be... prepared the most amazing food for our reception. Our guests raved about the delicious food and service. If you are in need of a company that will seamlessly and conveniently organize your event or wedding, I highly recommend Ambrosia Event Services." - Ellie H., Long Beach, CA

"Search no more... Everything you might need is all here. We booked Ambrosia for Hair and Makeup, Limo Services and Videography services. The price was unbelievable, it's practical a steal. Hair and Make up...crew of professionals works magic. They were prompt and accommodating to my crazy bridesmaids....our videographer. He was a ninja. He was always on the move, multi-tasking.
