Bijou Restaurant

Bijou at Lumière features comfy chairs and plush couches surrounding two indoor fireplaces, or choose to sit out under the twinkling Colorado night sky. Both offer the perfect spot to après and soak up the days' events with your family and friends.

We can custom design cocktail menus and light lunches etc. for your event with our wonderful chef.

Due to space limitations we can host a maximum of 34 covers for a full sit down dinner, alternatively we'd be thrilled to discuss an elaborate cocktail party with a large selection of hors d'oeuvres.

In terms of the bar, we can work with you to have an open bar, individual accounts or both.

The location would be great to host a pre or après reception. In the summer months the sliding doors open up to our outside patio & pool area.

We look forward to answering any questions you might have and hopefully becoming your chosen property.

Warmest regards,

Clare Afman
