

If you can dream it,  
We can host it.

It's all about the food and the thousand details that surround it. With CenturyLink Center Omaha and Levy Restaurants your special day is sure to be *perfect*.

*If you can dream it, we can host it.*

Thank you for your interest in CenturyLink Center Omaha as a potential site for your special day. We pride ourselves on working with couples to ensure your wedding planning process is as enjoyable as possible. Below I have outlined some of the details pertaining to having your wedding or reception at CenturyLink Center Omaha.

**Ceremony and Reception Site**

CenturyLink Center Omaha offers you the convenience of having your ceremony and reception under one roof. Whether you choose one of our ballrooms or our pre-function area, we can easily transform the space into a functional and elegant ceremony site for you and your guests. A number of options are available and price is dependent on what you choose. Feel free to discuss ceremony details with me to see what the ideal set-up would be.

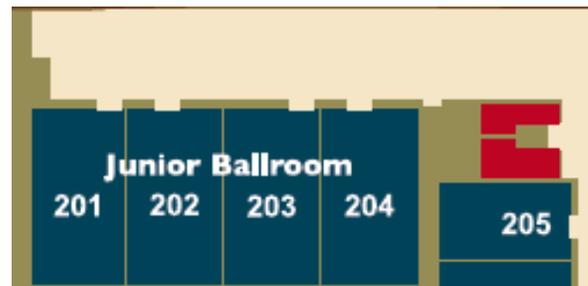

Our Junior Ballroom is approximately 10,000 square feet and is just one option that works well for both wedding receptions and ceremonies. The Junior Ballroom is rented on a food and beverage minimum. The minimum is determined by the number of sections of the Junior Ballroom needed for your event. The rental includes not only the Junior Ballroom, but the pre-function space in front of the Junior Ballroom. Our pre-function space can be used however you see fit and is perfect for a cocktail hour, Chef’s Tables, or for your guest book table.

Below is a chart that will give you a better idea of how many sections of the ballroom you may need to utilize for your reception and your food and beverage minimum. The sections listed do include room for a dance floor, head table, and band/DJ. However, depending on the type of meal you serve these numbers can vary.

Sections	Square Feet	# of Guests	F & B Min	Deposit
1 Section (Room 204)	2,720	100 people	*\$2,500	*\$190
2 Sections (Rooms 204, 203)	5,440	225 people	*\$5,000	*\$375
3 Sections (Rooms 204, 203, 202)	8,160	350 people	*\$7,500	*\$565
4 Sections (Rooms 204, 203, 202, 201)	10,880	500 people	*\$9,675	*\$725

**\*Prices quoted above are good through June 30, 2021**

The food and beverage minimum can be achieved with your hors d’oeuvres, dinner, service charge and anything spent at the bar (including a cash bar). If you meet the food and beverage minimum, there will be no additional rental for the space.

The rental space is contracted for the entire day, which allows you to come in first thing in the morning to set up. We will also provide you with a few dock parking passes so you can easily access the elevator located right behind the Junior Ballroom for loading and unloading.

**Complimentary vs. Additional Charges**

Your initial room set up is complimentary and includes tables, chairs, head table, cake table, gift table, etc. We provide white, black, or champagne 90" square table linens and colored napkins at no charge. Risers for the head table and one house microphone are also included.

A wooden dance floor is available for rent at an additional charge. The dance floor is rentable in 4’ x 4’ sections. The size of dance floor needed is dependent upon the number of guests and the amount of space you have selected.

Our in-house audio visual company, J & S Audio Visual, rents televisions, DVD players, screens, lighting, gobo's, projectors, or any additional equipment you may need. For more details and pricing, contact Charlie Wagner at 402-599-6492 or [charliew@jsav.com](mailto:charliew@jsav.com).

You do have the option to bring in your own audio visual company, DJ, or band if you choose. You also have the option to work with an outside decorator to provide colored table linens and chair covers.

## **Insurance**

We require every event held at CenturyLink Center Omaha to provide event insurance. We do offer an inexpensive one-day plan in order to make this as convenient as possible. The price range is approximately \$150 - \$250, depending on the length and size of your reception.

## **Catering**

## **Hotel Rooms**

CenturyLink Center Omaha is conveniently attached to the 600-room Four Diamond Hilton Omaha. Our enclosed skywalk will be open for your guests if you choose to reserve a block of rooms at the Hilton. Room rates must be negotiated with Hilton Omaha and I can provide you with the appropriate contact information. CenturyLink Center Omaha is also within walking distance of other hotels in downtown Omaha and the Old Market area.

# *Frequently Asked Questions*

## **Are we allowed to bring in outside food & beverage?**

We do allow wedding cake and mints from an outside baker or bakery, provided they are licensed and insured. Unfortunately we can not allow any homemade items or outside beverages to be brought in or consumed on property.

## **How many bars or bartenders will you have at my reception?**

We will have 1 bar and 1 bartender for every 100 guests that are attending. If you would like to have additional bars or bartenders, we would be more than happy to accommodate for an additional charge. There is a minimum of \$350 in sales per bar. If that minimum is not met then a bartender fee of \$20.00 per hour/per bartender with a 4 hour minimum will be charged.

## **What does 'on consumption' mean?**

If a hosted bar based on consumption is chosen for your reception, then you will be charged based on the drinks actually consumed by your guests. We will work with you to figure out an estimate of what your guests may drink and this number will be reflected in your pre-payment. At the conclusion of your reception, if your guests have consumed more or less than what we estimated, we will refund or bill you accordingly. If you prefer to have a cost that will not change based on consumption, the Hosted Bar Service for a pre-determined number of hours might be the right choice for you.

## **What types and what colors of linen do you offer?**

Our standard tablecloths are available in white, champagne and black. They will drape at your guests' lap – they are not floor length. Our standard napkins are available black, white, champagne, gray, navy blue, royal blue, red, burgundy, mauve, hunter green, brown, yellow and purple. Specialty tablecloths and napkins may be ordered for an additional charge.

## **When do I need to select my menu?**

Menu selection is preferred a minimum of 30 days prior to your event. This ensures that our chefs have time to order any special items to make the menu for your big day perfect. Please let us know of any dietary restrictions your guests may have – we're happy to accommodate.

## **When do you need to know how many people are coming?**

The final count is due seven (7) business days prior to your event. The latest we can finalize any last minute additions would be three (3) business days prior. Any guests over and above your final count will be billed accordingly.

## **What other services do you offer?**

We are happy to provide cake cutting services, cocktail service during dinner, extra servers and/or bartenders and table wine service for an additional charge. Additional servers are \$20 per hour per server with a four (4) hour minimum.

Any setup, decorating or event timeline questions can be answered by your MECA Event Coordinator.
