MERMAID WINERY

Welcome!

We are thrilled you are considering Mermaid Winery for your upcoming event! Mermaid Winery was founded in 2012 as Virginia's very first Urban Winery. The mermaid is a mythical source of beauty that represents our vision to produce stunning wines.

Our flagship location is in the charming neighborhood of Ghent. We recently expanded to include a new location, and we are delighted to be part of the Virginia Beach family! Our limited production wines are focused on articulating the characteristics of each varietal. The grapes are sourced from premiere vineyards in Virginia and California and we do our best to express their terroir. We hope you will be pleased with our creations.

In addition to producing our own wines, we are also a wine bar and restaurant. We currently have 800 different wines from around the world for you to taste. We look forward to seeing you soon!

Cheers!
