

About the Owner

My name is Warren, I am a very experienced DJ with the skill provide you and your event guests unrivaled musical entertainment. I can handle any musical style. I am 22 years old and attend Penn State, and have DJ'd around the Harrisburg area, and Phoenix, Arizona for over four years. I attended Arizona State University and now am completing my degree at Penn State. I know every type of "gig" in and out. Everything is customizable with me and I can cater to any musical style. I have been playing for parties, small clubs and bars out in Arizona before moving back to PA. In PA I have DJ'd at the "Spice" club and restaurant in downtown Harrisburg.

Why Choose Me?

My music library is unrivaled, consisting of over twelve thousand albums, spanning ALL types and genres of music. I have over 11000 Karaoke songs, and a quality microphone so you can sing with the music if you would like (or would like your guests to have that option).

I have provided music for countless weddings, gigs, events, and parties. I have a very extensive library of mash ups, and remix's so if you have gig where you want people dancing, I am definitely your DJ.

My mixing skills are also very refined. I can seamlessly mix songs and if you would like I can also mix together songs, like a DJ does in a club. All in all, if you select me for your music provider you will not be disappointed... in fact; you will be relieved at the ease of the planning process and quality of service.

What people have said afterward

Warren,
No problem! Your tip was well deserved.. And all was well with the music. I have no complaints. I think our cousin will book you in Feb for her 30th b-day party.. She has your card so I'm sure she'll let you know! Glad you liked everything and thank you again for DJing.. You did a great job!

And during the planning process

Warren, Everything looks good, thank you for helping me tweak the playlist, you definitely know your music selection. I can't wait to hear some of the songs at the wedding, I know everybody is going to love them.

Harrisburg Pro DJ Services

Are you having an event, maybe a corporate event, wedding, or PARTY? Do you need the music to flow *smoothly* during this time with an intelligent selection of tracks for the occasion?

DJ and Music Solutions

Services Provided

The Pre-Event Meetup and Consultation

Your planning experience with me will be a very personal one. During our one-on-one consultation I will show you my music library, and you can select your songs and outline a playlist. You can also choose a genre and style of music, and I will plan your mix and make recommendations. I will make sure that what you actually WANT to come out of the speakers is EXACTLY comes out of the speakers.

Preparations

You will receive a detailed and flexible questionnaire that lists the type of music with a checklist of genres and themes. You can choose what specific songs you do and do not want played at your event. This is the first step in setting up your playlist. I will also determine whether or not you want to honor audience requests, and if so, your desired protocol. Harrisburg Pro DJ Services totally customizes your event to be exactly to your expectations and worry-free so you can enjoy your special day.

Wedding Services

Of all the days in your life, your Wedding Day will be one you will remember the most. Make sure your day is perfect by hiring me help you, guide you, and most importantly, give you what you want. Your day is special and I will make sure it flows smoothly and everything happens as it should and on time. This will be the biggest party for your friends and loved ones that you will ever have, the one people will remember.

Let me help you make memories. Today a professional DJ is more than just a person who plays records. You get a free consultation to help you coordinate your reception. I motivate your guests, handle all master of ceremonies responsibilities, play great music, and if need be, will be your wine bottle opener! (or any other extra duty you would like me to do)

I use professional sound and lighting gear (for all events). I also can coordinate with your other wedding professionals (photographers, servers, etc.) to ensure that any events occurring that need synchronized with certain music or speeches will go off seamlessly. As listed with preparations on the left, for weddings i also include a special sheet to select the songs for specific dances, and events at your wedding. I supply a wireless microphone for you and your guests, and also come dressed in formal attire.

Rates and Pricing

The rates for the DJ business vary, and more so, the rates for the type of event vary. It is hard to give an exact estimate to everyone, each event is different and I consider all factors before quoting a price. Some of the factors that affect pricing:

- Karaoke Equipment
- Time and Distance (if far)
- Crowd Interaction or Extra Duties (MC)

Discounts may be given for:

- Police, Fire, and Community events
- Non-Profit Groups or Causes

I WILL WORK WITH YOU to get the best price.
