HOW DOES IT WORK?

Reserve your wedding date as soon as possible to avoid scheduling conflicts. At your request, we will provide a two week "courtesy hold" for your chosen wedding date. During this period, we will notify you and give you first right of refusal should another client become interested in that date. When you have made your decision, a signed contract and a deposit of \$500 (\$1000 for retreat packages) will reserve your date. The deposit is refundable after your event, but is non-refundable if you cancel your event. You may select any PROFESSIONAL caterer. Alcohol service requires an OLCC certified server. Beverages may include wine and beer, but **not hard liquor**. Selection of a caterer from our preferred list entitles you to a reduction in package price. Self-catering is not permitted.

We gladly extend a complimentary two-week hold of your chosen date when you preview the grounds

Additional time may be added at \$250 per hour. In any Case, all events must be scheduled to end by 11pm; alcohol service and music are discontinued one hour prior to the end of your event (no later than 10pm). 50% of fees are due 6 months prior to your event. The balance of 50% of contract value is due 30 days prior to your event, along with a **certificate of insurance for \$1,000,000** single event coverage. These event policies are available
