Your entire camp-style wedding can be held from beginning to end with no add-ons. Your ceremony might be in cedar circle in the forest, on the dock at the lake or in the canoe! The large campfire shelter at the moss-covered gazebo will house your gatherings, dancing, and dining together. The cottage kitchens will allow you to manage your food. Without extras, your camp wedding will include all of the camp east of Canyon Creek, but will not preclude additional rentals on the west side.
