

Services Offered By Wedding One

Choose one service or choose all of the services we offer.

We create customized packages based on the needs of our client. Our goal is to provide all-inclusive wedding planning at a price that leaves you money for the honeymoon.

Our most popular packages can be viewed on the last page. Contact us today to get started!

Planning Services

Wedding One offers complete wedding planning services. Our experienced event managers will guide you through every step of the wedding planning process and ensure that everything is perfect for your big day. Our main service, which we believe to be essential, is the day of coordination planning. In addition to this, we also offer numerous other planning services to assist our client.

Our Most Popular Wedding Packages

All of our packages can be customized based on your needs. Contact us today to create your own wedding package and for a complete price list of all of our services.
