We bring the club style sound and Mesmerizing visual experience to you! If you like lasers, you will love the effect the fog has on them!
Our music data bases are regularly updated to provide you with the latest Hottest dance, line dance, and Dubstep songs available .We love what we do!

Our Djs" are professional, interactive, and committed to take your requests!

SpecialFx carries (3) external drives on board with more than 20,000 songs!

The following media players are used Laptops, professional dual Pioneer cd & mp3 player, Sony Mini Disc Player and the newest member to our arsenal: A Dual USB and SD card player!(High tech quality equipment)We even carry 4g technology to fulfill requests if not available in our data base

The following list is made up of the following amenities that are included in this one of a kind dance party.

- ★ (2) Professional Quality Dj Systems (6FT booth and a 4 ft booth)
- ★ The 6 FT booth is the main spectacular system offered (*we even use an auxiliary 20" monitor for you to see what is up next*). Our program of choice is Traktor 2 professional Dj software and hardware. This includes a Traktor S4 controller with scratch and Dubstep loop capabilities. Towering above is a large 9 ft truss which has "11" Special Effect Lights!(*does not include standard par can lights in this figure*)
- ★ The 4ft booth includes digital media players, amplifier, mixer, and microphone. Here is the good part; it also includes either a Playstation system which includes all of the sing star karaoke game as well as all of the ddr games with 2 dance mats included! Or you may choose the Nintendo WII system which includes WII interactive dance party games. These games are professionally projected on to a large 60"- 60" screen.
- ★ That's right you receive (2) forms of entertainment going on simultaneously with (2) dj's
- ★ Themed dance parties such as genre specific, decade specific, hip hop specific ect.
- ★ Don't let this one get away. We cannot keep prices this low for a long period of time
