### Skin Glow Facial & RF Eyelift

Facial treatments are an important part of your journey to healthier, rejuvenated skin. Regular facial treatments can help you identify and treat special conditions to improve your skin texture, tone and overall appearance. The non-invasive Radio Frequency Eye Treatment is a Remarkable method for reversing the aging process, utilizing electromagnetic technology it allows for the production and repair of collagen and elastin, thus creating healthier, firmer and more youthful skin.

**Brides Price:** \$75

**Bride & Bridal Party Package:** With 4 or more people in your party (not including Bride) session is \$65 each and the Brides treatment is *Free*.

### Body Sculpting

#### Cavitation & Radio Frequency

Non-surgical procedure clinically proven to reduce stubborn areas of unwanted fat. Now, thanks to this revolutionary new technology, as seen on shows like *Dr. Oz*, *Rachel Ray* and the *Today Show*. It's easy to get rid of love handles or other unwanted bulges comfortably, conveniently and naturally. It is a non invasive method, that eliminates cellulite and fat.

**Brides Price:** Two 30-Minute Sessions \$99.

**Bride & Bridal Party:** With 4 or more people in your party (not including Bride) session is \$99 each and the Brides treatment is *Free*.
