

## Testimonials

My Husband and I cannot begin to say enough about Steve Woods and the Staff from Dee-Stefano's. What a spectacular team! Dee-Stefano's catered our daughter's wedding and everything was just as promised. The food was awesome! We had many compliments on how great the food was. The staff was extremely courteous and professional. Many guests later contacted us for Dee-Stefano's contact information. We would highly recommend Dee-Stefano's for catering events. They did a great job with great attitudes!

What a surprise! Everything and more than I expect from a catering service. The sandwiches on hot home made flat bread to die for & cookies too. Great catering, great price, great people, Thanks

Thank you so much for the perfect catering services you provided for the Service of Remembrance for late husband, Bruce Magowan. Those who attended Bruce's memorial were extremely pleased to learn that you, as a local business, could provide such service. From the moment your staff arrived with the table settings through the clean up everything went smoothly. The food you provided was delicious and well presented.

I thank each of you at Dee-Stefano's for the extreme friendly and professional service you provided. It was the perfect addition to our Service of Remembrance.

You never disappoint me! After catering numerous Breakfast, luncheons, Dinners and BBQ's at Moroso Motorsports park you were the first one I called to cater our 50th Anniversary at the Jupiter Inlet Colony. You did another superb job, as always the food and service were great. Your special touch to the Pig Roast including the Eggplant Rollatini and the Italian Sausage Peppers & Onions was a big hit. All the committee members also called to specifically say that you were so easy to deal with that they almost thought it was too easy, but you delivered everything you said and more.

My Husband and I had our wedding catered by Dee Stefanos and we could not have asked for a better wedding. After all, your guests remember two things about a wedding: the couple getting married and the food! So we gave our guest lots to talk about. Our food was wonderful thanks to Dee and Steve.
