

Yer Cheatin Heart...Just Stopped Beatin' OR Murdered by Merlot

Down here at the West Spoon Ranch and Distillery, folks are downright hospitable, twangy...and hungry! It's the annual cooked swine mastication, also known as One Darn Big Barbecue. The Ewings and their cook, Vittles, have put on a huge spread, inviting everyone around, even the ne'er-do-well Fartwrights. But someone is soon found dead, slumped in the prize-winning coleslaw...and then another one bites the sand, having suffered an apparent heart attack!

Who offed these fine people? Will Sue Yellin' ever stop shouting? What's up with Butch and them horseshoes? And finally, why does Hay R. dance and dress better than everyone else?

OR

Why would Chef Jacques Schlock le Bloch, France's leading wine connoisseur, tout the opening his new restaurant, Escargot Mais Oui! Eatery, at a fine Italian restaurant? Does his sommelier, Candy Coq Au Vin, have something to hide, or is she just there to pop his cork? Petula Pignoli, famous Italian songstress and purveyor of fine Italian wine, is also present...but what exactly is she and local party planner, Tiffany Tira-Misu, cooking up? There are shenanigans galore, and it's up to a famous detective and the guests to figure out who wants to stomp out the competition...permanently!

Actors With a Clue! will create custom story lines and bring sound system and mics, music, all props, scripts, pens, ballots, audience actor prizes, etc.
