## ***Here's Why You Can Trust Me with Photographing Your Wedding!***

*I'm sure I have a wedding package just for you!*

*Bob Coker Photos provides 4 wedding packages to choose from.*

*For your convenience, I have attached my wedding packages to this email. If you don't mind, I'd love to get an email from you letting me know your thoughts and please reply to this email and let me know you could open this file.*

*Here are some things I have discovered:*

- *Today's Brides don't want to miss a single photograph. Brides would like to get as many photos as they can before the wedding. I agree! If it cries or smiles, I'll capture the memory.*
- *They want a photographer that captures the moment.*
- *Brides have enough concerns about their wedding; pictures should not be one of them.*
- *Brides want their wedding photos as soon as possible. With Bob Coker Photos, you will see all of your wedding memories in 10 days.*

Thanks Bob! I took a quick look at the pictures and they look great! I can't even tell you how many compliments we had about you from our wedding party and parents - everyone thought you had the BEST personality of any photographer they've worked with! You fit right in with our crazy group! My maid of honor is getting married next spring and has requested all of your information so I may see you again at her wedding if everything works out. We really appreciate all of your hard work and we hope you had as much fun as we did!

Thanks again!!!!

*Your wedding day will be very emotional. I capture your eyes and your hearts and freeze these moments in time. I create beautifully captured images of a time where your love and excitement are the main course of the day.\_*

Bob~

Hi! I wanted to send you an email to say thank you so much for all the work that you did. I also want to say an extra thanks for the special pic you worked on with my Dad, your patience during the times that it was disorganized and for keeping us focused so that our memories could be captured. So far, from what we have seen, we are very happy and very thankful that you photographed our wedding. I know that I may not have expressed my thanks enough, but I felt it in my heart. Thank you so so so much, Bob and we cannot wait to work with you some more in the future.

Sincerely,

*Selecting just the right photographer can be difficult. I know! My wife and I have 7 children, and 6 of them are girls. So, I know when I say, it takes a year to plan a wedding and how important wedding photos can be. Getting GREAT looking pictures is important, but finding just the right photographer for you is equally important.*

### *Serious Considerations when selecting a wedding photographer*

*Some photographers will not allow others to photograph during the wedding. NOT SO with Bob Coker Photos. In fact, I encourage family members and friends to get all the photos they can. After all, it is YOUR day.*

Smooth Wedding – *The reason my weddings run so smooth is due to 30 years of photographic experience. I believe I am one of the few who use the powerful tool of a 'Family Photo Assistant'.*

*What is a 'Family Photo Assistant'?*

*The need came from something I noticed years ago while photographing weddings. Each time I would ask for the guys in their tuxedo to come for pictures, they would literally ignore me! How can I make your day special and smooth at the same time? To solve this challenge, I use a 'Family Photo Assistant'. This is a person in your family (or Groom's) who likes to shout orders. You know, everyone has someone like this in their family. Imagine how FREEING it would be for you not to organize all the photos. It's not mandatory, but having someone who knows all the family members is a GREAT help to making your day run on time. It's NOT the BRIDE's Job.*

*You already have too much to complicate your day. :o)*

*There is so much more we can discuss by phone or in person. I would enjoy explaining all of the details as well as what Bob Coker Photos can provide for your special day. Please call anytime, at [\(309\) 740-0827](tel:3097400827). Let's chat.*

*Most of my weddings book, on average, a year in advance. Please take a minute and call or email. There is no reason you cannot get the photographer you REALLY want, just because you are running out of time. I realize how challenging pulling all the loose ends together can be.*

*Many Brides are surprised when I tell them the deposit is only \$200 to save your date! I look forward to speaking with you.*

*I hope you choose Bob Coker Photos. Your day will last forever.*
