Hello,

My name is Reema Patel, Sales Manager for the Comfort Suites in Mt. Juliet, TN. I wanted to tell you about our newly built hotel and offer a special rate for hotel accommodations for your guests.

We feature 73 suites that are equipped with a microwave, refrigerator, iron with an ironing board, hair-dryer, and coffee machine. All rooms also have a 32" flat screen TV, sofa sleeper as well as individually controlled thermostats.

Your guests will enjoy our "Your Morning Breakfast" each morning, featuring sausage, scrambled eggs, biscuits and gravy; make your own waffles, assorted fresh fruits, yogurt, variety of pastries and breads, bagels with cream cheese, assorted cereals, orange juice and apple juice, milk, hot tea and coffee. Don't have time for breakfast? That's okay, we offer a "Grab and Go" bag for them to take as they are leaving the hotel.

They can enjoy a great workout in our fitness center and after, they can take a dip in our beautiful indoor heated salt-water pool and relax in our heated whirlpool.

We also have a Business Center where we offer complimentary copies and faxes. We offer free wired and wireless internet throughout the hotel. Need meeting space? We have a state of the art meeting room accommodating up to 50 people that is fully equipped with all of your audio/visual needs.

Don't forget to drop by and pick up a freshly baked Otis Spunkmeyer cookie at the front desk!
