

# BIRTHDAY PARTY INTEL BRIEF

## TOP FUN BIRTHDAY PARTIES

### Mission Overview:

Air Combat Zone replaces the "same old, same old" Birthday Party activities with a completely unique fighter pilot experience dog-fighting each other in fighter jet flight simulators. Make this year's Birthday Party unforgettable with the thrill of air combat action and a solid focus on everyone having a great time together. Our party packages are perfect for all ages 10 and over.

All of your "pilots" will take a crash course in dog fighting with a CF-18 Hornet jet fighter. Training includes skills development on PC simulators and a pre-flight briefing. Once trained, they're off into the cockpits of our 4 Hornet flight simulators for practice and a live session of dog fighting. We offer 2 Birthday Party packages and the option to extend the fun with a TOP FUN Round Robin Competition designed to rally your troops

together with a competition developed to keep everyone in on the fun.

You are welcome to bring with you any food or beverages for your party as you will have a 1/2 hour use of our party room once the battle is over. If you would like to order pizza or subs, we are happy to make arrangements for delivery.
