**Denise Zupan** - Prior to our wedding Bob made sure he knew what was most important to us by setting up meetings, providing great feedback and being organized. We knew one thing (Our Entertainment) would be perfect.

**Jason & Elyse Bodey** - I want to thank you for surpassing our expectations. We have received great reviews from our guests saying how much fun they had!!

**Julie Bemboom**—Larry was very professional, and listened to what we wanted. He gave us advice about what works best, but was not pushy. His personality was great and that was also a huge plus when it came to him DJ'ing our night!
