THE SAUCES

We make all of our sauce in Heath's dedicated underground lab in Yarmouth. Get Sauced with Binga's!

HEAT KEY

- EASY
- MODERATE
- ◆ SERIOUS
- ⚡ EXTREME
- ⚡⚡ DANGEROUS
- ⚡⚡⚡ INSANE

■ Buffalo

Our take on the classic wing sauce from Buffalo, NY. A bit of heat with a buttery finish to make you feel like the traditionalist that you are. ☺

■ Buffalo Garlic

Many people say this is our best Buffalo variant. Binga's classic Buffalo with fresh, roasted garlic. Wonderful on smoked wingas. ☺

◆ Hot Buffalo

Buffalo sauce with a bit of a hot wallop! ☺

⚡ Diesel

The name says it all. Diesel is a strong sauce, a sauce meant for heat and speed and fast things. You're likely to break a sweat, but you can power through it. After all, you're diesel. ☺

⚡ Diesel Garlic

A hot take on our Buffalo Garlic sauce. Fresh, roasted garlic goes great with the heat. ☺

⚡ Sour Diesel

Tart and hot, this sauce will make you sweat and ☺ pucker your lips. You'll taste a hint of lime through the heat.

⚡ Chernobyl

Painful. Perfect for those who need a good sweat. This was our hottest sauce until we introduced '08 Fire Sauce. Not for the faint of heart. ☺

⚡⚡ '08 Fire

The Binga's on Congress Street burned down in 2008. This is our tribute. The '08 Fire is a ridiculously red-hot-burn sauce that simply isn't appropriate for most people. It makes women scream and grown men cry. Rated at 143,000 Scoville Units (Tobasco measures less than 5,000). We recommend putting a roll of TP in the freezer when you get home. ☺

■ BBQ

Not too sweet with just a touch of smoke, our BBQ is the perfect blend of spices, tomatoes & molasses. ☺

■ Thai BBQ

BBQ and Thai Chili Mix. Sweeter than BBQ. Smokier than Thai Chili. Great on Meat. ☺

■ Garlic BBQ

Binga's BBQ with Fresh Roasted Garlic. You gotta love garlic to love this sauce, but if you do, it's a unique twist on our classic BBQ. ☺

⚡ Diesel BBQ

A blend of our Diesel and BBQ sauces, resulting in the perfect mixture of heat and Q on your meat. ☺

■ Valley Girl

The name comes from a 2 am conversation with a Wharf Street regular:

Girl: "Could you, like, mix BBQ, Buffalo and Honey Mustard? Could you, like, totally name that sauce after me?!"
Us: "Sure."

And we were left with the delightful Valley Girl, one of our most popular sauces. ☺

⚡ Spice Girl

Valley Girl is delicious, but many people wanted it with a kick of heat. We added some Diesel and gave it a ridiculous name. You still love to order it! ☺

■ General Tso's

Yes sir. Soy, Hoison, Peanuts... Sweet and delicious, Chinese-restaurant-style. Great on Smoked Wings. Contains Peanuts.

■ Thai Chili

A sweet chili sauce. ☺

■ Redneck

You know you're a Redneck when you can't get enough of this sauce. It's a Maple Buffalo that gives you the much-desired sweet with a touch of heat. This super-popular sauce was named by Ryan Coleman (RIP). It was intended to go perfectly with both his Tenders and his French Toast Sticks. ☺

⚡ Spicy Redneck

You guessed it! This is our spicy version of our redneck sauce, aka a Sweet Maple Diesel. ☺

■ Honey Mustard

Our own Dijon-based honey mustard. Great salad dressing too, and perfect on sweet fries. Contains Dairy. ☺

■ PB & J

Yup, it's really PB&J. Peanut Butter and Grape Jelly, this is a sweet sauce that is awesome on many menu items. Contains Peanuts. ☺

■ Sweet & Sour

We took the sauce's name literally and then added our own special touch--we use real Mango for the Sweet! ☺

⚡ Hot Mango

Real mango chutney with hot peppers make this classic sauce a winner for heat-lovers. It's great on everything it touches, from our BBQ to Tenders, from Fries to Sausage. ☺

◆ KGB

A creamy Jalapeno, Fresh Basil and black pepper sauce, the KGB following is die-hard. It doesn't hold well on hot take-out, but it's an incredible side for just about everything. What does KGB stand for? ☺ When you sauce your Wingas, you've got one "Killah Green Bird" man. Contains Dairy.

■ Albany-Style Dark

Have ya eva' been to Albany? Didn't think so. And if you have, keep it to yourself. Albany-Style Dark is our classic buffalo with a healthy dose of worcestershire, giving it a neat tang. ☺

■ Whassuppy

A Sweet Wasabi Soy Sauce. More Sweet than Wasabi. Use it in a sentence? OK. "Whassuppy dude?!" "Not much man, whassuppy with you?"

■ Jamaican Jerk

A bit of heat, a bit of spices and a great all-around flavor. Unlike most jerks, this one is a pleasant surprise.

■ Thai Peanut

Asian-style peanut sauce. Mild spice, with soy sauce and plenty of peanut. Contains Peanuts.

■ Teriyawkee Way

Our Teriyaki is a tribute to the street surrounding Fenway Park in Boston. We've added a bit of sweetness and pineapple to our soy sauce base.

■ Buffalo Bacon Nacho

Served warm, this decadent sauce is a mixture of Bacon and Nacho Cheese, kicked up a notch on the heat scale with a touch of our Buffalo Sauce. This sauce is a tribute to the fact that you only live once. Enjoy! Contains Dairy.

■ Blanch

Not Blue Cheese. Not Ranch. This is Binga's Famous Blue Cheese style dipping sauce with ranch-like ☺ spices. Cooling and delicious, perfect on everything from Salads to Pork to Wings to anything else you can imagine! Contains Dairy.

Custom Dry Rubs

■ Blackened

Binga's custom Cajun Dry Rub Blend. Adds a nice heat and flavor to everything. ☺

■ Salt & Vinegar

Seriously. Like the Chips. A Dry Rub that's great on Wingas and Fries! Also known as The Salty Karen. You'll understand if you meet her. ☺
