### WEDDING VIDEO SERVICES

*Sterling*  
**\$1,950.00**

This is our most comprehensive package capturing the rehearsal, rehearsal dinner, wedding day photo sessions, wedding and wedding reception. The *Sterling* package includes:

Two high-definition digital cameras recording the wedding ceremony. One camera has a professional videographer with the second camera placed in a fixed position.

Audio recording is captured by high-quality on camera microphones. This package also includes a high-quality wireless lapel microphone worn by the groom recording the couple's vows during the ceremony.

The videographer captures one hour of rehearsal and up to two hours of the rehearsal dinner on the day prior to the wedding.

The videographer arrives three hours before the start of the ceremony to capture the surroundings of the wedding venue, the bride and groom photo session prior to the wedding and for camera and audio set-up.

The videographer captures the wedding ceremony, the photography sessions before and after the wedding, the reception recording the newly married couple's entrance, first dance, wedding cake, bouquet toss and grand exit.

The video contains an artistic opening with video of the bride, groom and the wedding party prior to the wedding. Highlights are included from the rehearsal and rehearsal dinner. The video includes the wedding from the sitting of the guests through the moment you walk out as husband and wife. Video highlights are included from the beginning to the end of the reception.

This package includes up to 10 hours of coverage containing approximately two hours of professionally produced video furnished on three wedding DVDs. Also includes a wedding highlight video suitable for YouTube or facebook distribution. Not to exceed 5 minutes in length.

Videographer scene selection.
