*Dayton Theater* This 140-seat, 1400 sq. ft., theater is an intimate venue for the performing arts, presentations, wedding ceremonies, and other events. Amenities include state of the art projection equipment, 14' screen, and a Steinway grand piano.

*-Courtyard* - completed in October 2011, is a scenic outdoor addition. Reserve this space for an outdoor event and have the assurance of the indoor venue in event of bad weather.

*-Conference Room* – is the perfect preparation area for wedding parties. This room is also available for classes, workshops, board meetings and other smaller events.
