Meadowkirk's Stone Barn is an ideal space for large meetings, worship services, or wedding ceremonies. Originally dating back to the mid-1800s, this dairy barn has been beautifully renovated to include floor-to-ceiling glass windows that provide ample natural light, and geothermal heating and air conditioning.

As our largest conference facility, The Stone Barn can accommodate 150 guests in comfortable chairs. AV equipment, including a sound system, is included with this facility. Additional equipment is available upon request. Guests will be provided access to our Wi-Fi network.
