

Footers: Standard vs Custom

The footer is the design that prints at the bottom of each photo strip. Customizing your footer is a great idea, as the photo strips make perfect keepsakes for your guests to remember your event!

Standard footers include two lines of text, in your choice of script or block font.

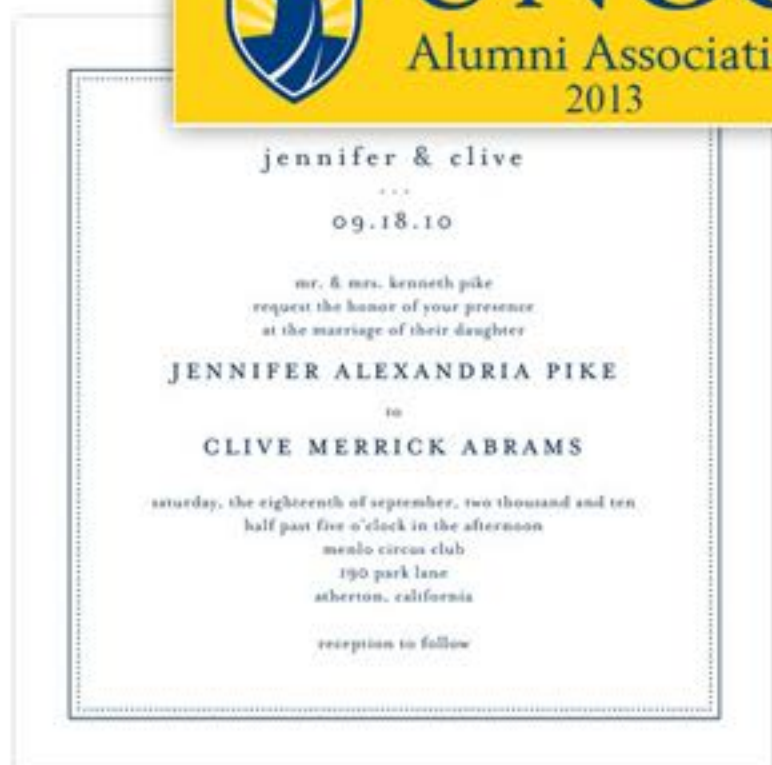

Script Font

*Carolina Bank
Happy Holidays 2013*

Block Font

Carolina Bank
Happy Holidays 2013

Custom footers include your choice of background and font colors, a logo or monogram, coordination with special fonts, colors, and design elements. The fee for a custom footer is \$25.

We can coordinate with your logo, stationery, style, etc!
