

Flower Packages

Memorial House offers simple yet stunning flower packages to make planning your event even easier. We partner with a local florist, so your flowers will be fresh and on the tables when you arrive. All floral packages are charged a \$50 delivery and set up fee. Vases must be left at the end of the event; however you are welcome to take the flowers with you. If you are looking for a more customized floral package, please ask your Memorial House representative for more information.
