

ART PARTY

GoggleWorks Art Parties bring a creative spirit to your celebration, whether it's an anniversary, graduation gift or birthday party. Party packages, available for both children and adults, include an hour-long art workshop of your choosing and a party room for one hour. Workshop supplies are all included. You can bring your own refreshments and decorations to add to the festivities. Most workshops can be customized to accommodate various age groups and levels of experience or your particular interests, project ideas and themes.

Art with Me

Up to 10 children, ages 2-6 years.

Create, sing and dance with your child in this nurturing workshop that enhances physical, social, cognitive and creative development.

Ceramics Workshop

Up to 15 guests.

Create beautiful vessels or sculptures using hand-building techniques like pinching and coiling. Your glazed kiln-fired projects are available for pick-up within 2-4 weeks.

Drawing, Painting & Mixed Media

Up to 15 guests.

Draw with graphite, charcoal or ink; paint in watercolors, gouache, oils or acrylics; or create a collage or assemblage incorporating paints, inks, newspaper, fabrics, found objects and other materials.

Fused Glass Workshop

Up to 15 guests.

Create colorful art objects by layering pieces of glass to create a unique design that will be fused together in a kiln. Completed projects are available for pick-up within 2-4 weeks.

Jewelry-Making Workshop

Up to 15 guests.

Design and make handcrafted jewelry using various techniques, including beadwork, wire-wrapping, metalworking and more.

Photography Workshop

Up to 10 guests.

Create soft and mysterious images using handmade pinhole cameras or create photograms by placing objects directly onto the surface of photographic paper. Then, work in the darkroom to watch your prints come to life.

Recycled Materials & Sculpture Workshop

Up to 15 guests.

Craft sculptures by reusing found objects and materials, either recycled or from nature. Learn to combine materials such as branches, cardboard, fabric, paint, leaves, plaster and wire into unique finished sculptures.
