Private Event Information

Menus and Event Details

All menus, beverage/bar arrangements, setup requests, and audio visual needs should be finalized 21 days prior to your event. A 22% service charge and 10% DC sales tax will apply to all charges. For all buffets/breaks, a \$75.00 labor and preparation fee will be charged for groups less than 25.

Setup Fees

A setup fee will apply to each event and will include the set-up and tear-down of the event, tables, chairs, and buffet requirements. Additional setup fees may apply for additional setup requests.

Linens and Decorations

The Hotel will provide ivory linens and napkins at no charge. Specialty linens can be arranged through your Catering Representative. Florists and décor companies can be recommended by the Hotel.

Audio Visual Equipment

We encourage you to rent audio visual equipment from the Hotel as our team is familiar with its operation. However, if you choose to provide your own equipment, there will be a \$75.00 per day electricity usage fee. You will be responsible for the set-up, tear-down, and facilitation of the equipment.

Parking

There is a parking garage directly beneath the hotel for hotel guests and visitors to the Chevy Chase Pavilion. The Hotel does not own this garage, therefore, parking fees apply to both local visitors and overnight guests. If you wish to purchase parking vouchers for your meeting attendees, the charge is \$26.00 per ticket per day. We will apply these charges to your group master account. Please provide your Catering Representative with the number of parking vouchers needed 72 hours prior to your meeting.
