## *Invest in an artist*

### Packages Include:

- Up to 4 hours of continuous coverage - add as much time as you'd like!
- Password protected Online Gallery & Shopping cart
- Unlimited Locations
- Travel within 60 miles of 30276 (additional miles .80 ea)
- Image Enhancements
- High Resolution Images with personal use license \$1500

Your images will be preserved on a custom wood USB drive. This is now standard with all of our weddings. All USB drives come with a display box custom designed just for you! The two piece slide top box is made from unvarnished blond wood and comes complete with Aspen wood wool shaped like a bird's nest, for your USB drive to be safely delivered to you.

ALL of the above with 6 hours of coverage \$1700

ALL of the above with FULL day coverage (up to 9 hours) \$1900

ALL of our albums are half price with the FULL day package!

Do we customize packages? Of course. Just ask!

## VIDEO

We are now offering GoPro videography from the ground UP! This includes AERIAL video at no additional cost, captured by our unmanned aerial vehicle.

Unlike images captured from a plane, we are able to capture video and photos that were otherwise unimaginable. Please note that aerial images are not guaranteed. Restrictions such as inclement weather, trees, buildings and / or power lines will affect the ability to send us into the air.

\$400 / 4 hours (\$100 additional hours) - Includes one professionally edited DVD. Copies \$50 each.

## HOURLY RATES

Includes a password protected online gallery with option to purchase prints.

\$200/hour OR \$375/hour (This rate includes your high resolution images with personal use license)
