ZED'S EVENT AGREEMENT

The banquet event order ("Order") outlines specific elements of your proposed event, however, it shall also be subject to the rules and regulations of Zed's Restaurant, LP, as they are stated herein.

Client's guaranteed number of guests must be received by Zed's no later than 1:00pm, 2 business days prior to the event (7days during the month of December).

This number will be considered the final guaranteed number, and is not subject to change. Payment is required for the guaranteed number of guests, or for the number of guests in attendance, whichever is greater. If no guarantee is given, Zed's will use the original number listed on the Order as the guaranteed count.

In addition, the food and beverage minimum (excluding tax and gratuity) for all parties must be met, or the party will be subject to pay any difference. **Example:** if the set food and beverage minimum is \$1000 and the total ends up to be \$850, then the additional charge to meet the minimum will be \$150. **Please initial to confirm** _____

All events must be confirmed with a credit card number or with a \$200 cash deposit. Once the signed Order, along with a credit card number or deposit, has been returned to Zed's, the event will be confirmed. A cancellation notice of at least 72 hours is required (10 business days in the month of December). Failure to cancel within these times will result in a penalty fee of \$500 for events scheduled in December and \$200.00 for events scheduled in all other months of the year. **Please initial to confirm** _____

The banquet staff can arrange for the rental of audio-visual equipment, which may be required for meetings or program activities. The banquet staff must be notified of the requirements at least 2 business days prior to the scheduled event. Clients may bring their own audio-visual equipment with 2 business days prior notice to Zed's. All such equipment is subject to approval by Zed's, in its sole discretion. Zed's cannot be responsible for the storage of audio-visual equipment.

Some decorations are acceptable, but must be approved by Zed's in advance, with such approval being in Zed's sole absolute discretion.

No food or alcohol may be brought into Zed's, other than specialty cakes that have been approved by Zed's, in advance, by Banquet Coordinator or management staff.

Performance by Zed's of its duties under the Order shall be excused to the extent if such performance is prevented or impaired due to labor disputes or strikes, accidents, federal, state, or governmental requisitions, restrictions upon travel, food, beverages, or supplies, and/or any other cause beyond the control of Zed's. In no event, shall Zed's be responsible for loss of profit or other collateral or consequential damages. The responsibility of Zed's will be limited to refunding any paid reservation fees or crediting such fees to a future event.

Zed's reserves the right to refuse service to any patron, who in the sole absolute judgment of management is under the influence of alcohol, or any controlled substances. Zed's may request or require that such person leave the premises.
