*Donald W. Reynolds Center for
American Art and Portraiture
National Portrait Gallery*

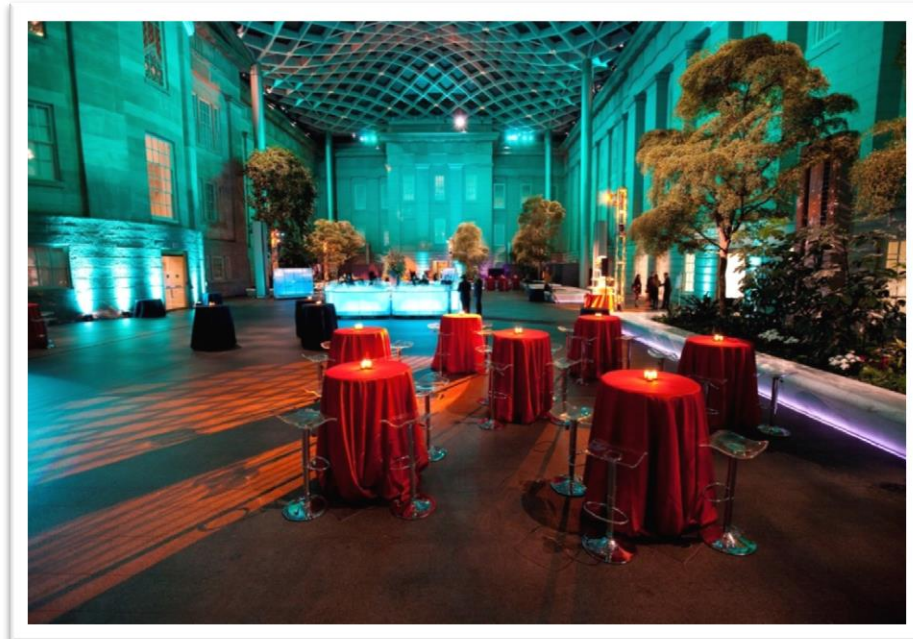

Host your corporate special event at Washington, DC's most elegant and enchanting venue. The National Portrait Gallery, part of the Donald W. Reynolds Center for American Art and Portraiture, is housed in a gloriously renovated National Historic Landmark building. Conveniently located in DC's bustling Penn Quarter neighborhood, the Portrait Gallery is ideal for your special event.

Robert and Arlene Kogod Courtyard

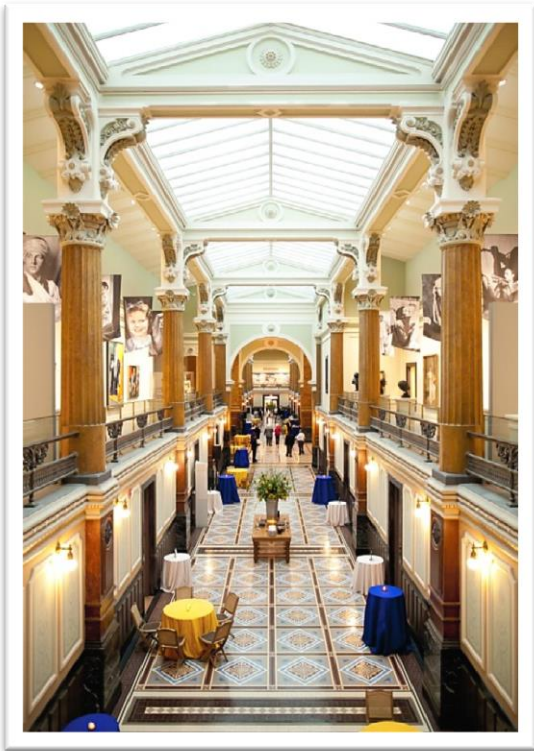

The Robert and Arlene Kogod Courtyard, with its elegant glass canopy, is one of the largest and most magnificent event spaces in Washington. Designed by the world-renowned architectural firm Foster + Partners, the enclosed courtyard provides a distinctive, contemporary accent to the Greek Revival building.

Reception capacity: 1200
Seated dinner: 850

For more photos and information, visit our website at npg.si.edu and click "host an event" or contact us directly at NPGevents@si.edu or 202.633.8296.

Please note: The museum is not available for personal events (i.e., weddings, birthday parties).

Great Hall of the National Portrait Gallery

This regal space, accentuated by late-19th-century architectural highlights, was the reception area where President Lincoln and Mrs. Lincoln greeted guests attending the president's second inaugural ball. The hand-laid encaustic tile floor, curving double staircase, and soaring vaulted ceilings are sure to captivate your guests.

Reception: 366

Seated dinner: 300

Luce Foundation Center for American Art

The Luce Center features three levels of painting, sculpture, folk art, and craft collections on display in floor-to-ceiling glass cases. The Luce Center's architectural elements, such as elaborate columns, bronze railings, multicolored marble floor, large windows, and a city-block-long skylight, will make any gathering an event to remember.

Reception: 500

Seated dinner: 300

Nan Tucker McEvoy Auditorium

Fully equipped with a state-of-the-art sound and video system, film projection capabilities, flexible lighting, a sprung stage, and concert grand piano.

Capacity: 346
