

POOL PARTIES

There's nothing better than a pool party. Especially one that is fully equipped for a large crowd of energetic and excited children! The pool at the Crystal Conservatories is sizable, safe and climate controlled - with warm, inviting water to enjoy year round.

We even have lighting options for the pool to match the environment you want to create. You are welcome to bring your own birthday cake and pizza. And, at the end of the party, when it's time to go home, you don't have to clean, just pack up and leave!
