ASK THE EXPERT PLANNING WITH A TWO HOUR MINIMUM \$50.00 Per hr.

---

This is the package for the bride that doesn't know where to start or has made her own plans, believes she has everything handled, but would like an expert to go over everything with her.

The planner will make suggestions on timelines, theme, vendors, and etiquette. This is perfect for the bride that wants the guidance of a wedding planner without purchasing a package.

We will meet the bride and groom in order to go over everything or answer any questions that you might have.
