Prior to or after the party, you and your guests will have full park access for the day including the Creature Feature presentation and the Safari Ride if anyone wants to do them again.

***Your Hostess will:**

- Set-up prior to your arrival
- Serve the children cake, ice cream, etc
- Schedule your activities for the day
- Assist the ‘birthday mom/dad’ as needed
- Clean up after the party
- Collect your balance due and take care of the transaction

** *Don't forget to bring a camera!* **

It is very important that you and your guests arrive prior to the designated party time. The Birthday Room is available for one hour for the refreshments and party portion of your package. We find this is ample time because most of the guests are always anxious to do the activities.

***** Add Pony Rides to your package for \$5 per child*****
