TESTIMONIALS

Don't just take our word for it — read what our happy customers have said...

“It was everything we could have hoped for and more. This was in large part to you translating our vision into reality.”

- Jim & Erin Russell -

“Spin Events & Catering did an amazing job catering at my wedding. Cyndee was so great in helping me choose a menu and taking care of all the little details. She and other staff were there early on the day of my wedding to help set up, and they **took care of everything from serving the food and beverages to cutting the cake**. Even now, **guests are still telling me how great the food was!** I couldn't have asked for a more **helpful and thoughtful caterer.**”

- Lindsay Boyd -

“Every time the Central Eastside Industrial Council (CEIC) uses Spin for our events, the compliments start rolling in. We appreciate how accommodating you are to our needs and our members love the food, the easy-access location, and unlike downtown venues – lots of FREE parking!”

- Terry Taylor, CEIC Executive Director -

“Thank you so much for making our cast party such a fun and relaxing event. The room was beautiful, the **food was fresh & delicious** and everyone was so kind. Our guests had a lot of positive comments about the **responsive and friendly customer service**. I hope we can plan another event in your great space in the future!”

- Portland TAIKO -

“As the Events Coordinator for Portland Velo Cycling Club, I have enjoyed working with Steve Brown at Spin Events & Catering and will continue to do so! Steve has been **so accommodating** to the club's needs be it working within our budget, special catering requests or accommodating our growing club membership. He has always gone over and beyond just handling the catering. He really rolls up his sleeves to help set up the event, **making great suggestions** and organizing his team to make a great event happen. I never had to worry about anything and Steve is very fun to work with as well! Last year we decided to add a fall party very spontaneously and WOW Steve came through with awesome food, music and our members had a fantastic time. This event was pulled together quickly and went off without a hitch. I already have events planned for the next year and Steve has already been contacted!”
