the show

Howl at the Moon is home to the World's Greatest Rock N' Roll Dueling Piano Show! The show is an interactive, high-energy, live music experience set to a vast array of music. Whether your guests want to hear classic rock or today's pop, Howl at the Moon's entertainers can play it all. Custom songs are also

available for private events to pay homage to your company, a new product, or even the guest of honor.

Throughout the night, the entertainers take turns performing on dueling pianos while incorporating other instruments such as drums, guitars, and more into the show, which are called "full-band sets", where all the performers take the stage.

Howl at the Moon's show will provide an amazing atmosphere for your guests to dance, socialize, and have a time they will surely never forget.
