

# Oak Room

## Description

The Oak Room is the second largest room at the Community Center at 1,200 square feet. It can be conjoined with the Maple Room to create one large room perfect for parties, banquets, dances, or large meetings. Alone, the Oak Room is a great meeting place for smaller organizations, church groups, and small parties. The room has a large pull down screen on the East wall that can be used to give presentations, watch movies, television, play music, and more. The Oak Room has a maximum capacity of 85 people with chairs only, and 75 with tables and chairs. When paired with the Maple Multi-purpose Room the two rooms can accommodate up to 240 people with chairs only and 200 people with tables and chairs.
