

Your wedding day is one of the most anticipated days of your life.

At Mon Amis Personal Chefs we want to help make your wedding day a truly remarkable one.

We work with your venue to prepare extraordinary foods with the finest local ingredients to make your wedding one that you will simply remember and cherish for the rest of your life.

Speak to one of our consultants to find out how you can have a deliciously wonderful reception, without breaking your budget.

All menus are customized and always made to fit your budget.

Chef Valdez has made quite a name for himself. He has had many epicurean experiences with fine restaurants among Taos's pristine best.

Recently, Chef Valdez has branched out on his own and is bringing his extremely creative presentations to you.

Using culinary physics and other techniques, he creates a modernist cuisine packed with a palette of fresh flavors for a stylish presentation to you and your guests.

It's truly elegant cuisine.
