Our wedding at the Taft was so special... We have been complimented by the guests on how lovely and elegant it was, AND that the venue was so nice and beautiful and the best secret in Cincinnati. Well, we hope that we made more people aware of its existence and what a jewel it is for the city. Everyone will never forget the evening and its beauty.

-Hugs,
Ina

I had a pleasure of holding my wedding and reception at the Taft Museum...We held a meaningful and colorful multi-cultural celebration that seemed to fit the venue style well. My wedding day was perfect in every single way!
